AMBLER

Dedication

We dedicate this yearbook to Miss Lea and Mr. Roudi.

Miss Lea has been here for 12 years during part of that time she was a language teacher as well as Librarian. For the last few years she has been a full time librarian, in addition she sponsors the Librarians and the National Honor Society.

When students need help on reference material, ideas for speeches, or help with an assignment, it is to Miss Lea they turn. They know that their requests and problems will be met with patience and that they will be given direction toward it's solution.

It is for Miss Lea's tireless service and help to the student body that we dedicate this Rambler, to her.

Mr. Roudi taught for ten and a half years at Flat Rock. This year he left Flat Rock in January to continue his education and work toward a degree in Administration.

Through Mr. Roudi's efforts the Band and Glee Club have been improved greatly and the music department increased until we now have a grade school, Junior High, and Senior High Band. Mr. Roudi worked constantly to improve the music department. On top of these activities he also was one of the sponsors of the Honor Society and chairman of the Adult Education Program here.

Mr. Roudi has also been a real inspiration to his students by showing them how to work together and coordinate their efforts toward a common goal. For these reasons we dedicate this Rambler to him.

KEYHOLE to

Stephanie,
A real confuser
of a gal. (Only kidding
of course.) I still
think it should
get our hair cut!
Remember our deal?
Well I went through
with it — what
happened to you?

Well Steph, you're
a real nice gal and
a real pal who
is loads of fun!

Good Luck as
V. Pres. next year.

Letter From the Editor

Students & Faculty;

The main purpose of our Rambler is to provide a pictorial record of the activities of the school year. To the best of our abilities we, the staff, have tried to provide the best coverage possible. We have tried to cover the main happenings of the school year.

Each year we profit from the mistakes of past years and are able to present to you a better, more complete Rambler than the previous years. This year we have added ten pages a new type cover, new design of the senior section and more candid. We truly hope you like and appreciate our Rambler.

The staff this year has been excellent. They worked together closely toward a common goal, the completion of the '59 RAMBLER. Good luck to the future staffs and students at Flat Rock.

Editor in Chief,
Joan Bobcean

FACULTY

Board of Education

LEFT TO RIGHT Carl Neifert, Trustee; Frank Jones, Secretary; John Kreger, President; Rolin Stevens, Treasurer; and Ethel Bobcean, Trustee.

Board of Education

The main responsibility of the Board is to formulate policy. They also approve the hiring of the faculty and staff.

School Board elections are held in July every year. They are elected for a three year term and represent voters of Brownstown Fractional #1 School District. There is no limit to the number of terms served by an individual. The officers are elected by the Board.

Since September the new addition to Flat Rock High School has been occupied. This includes the new gym, band room, four classrooms, board room, wood shop, metal shop, and mechanical drawing room.

The students of Flat Rock would like to express here their appreciation for the help and guidance they have given us through the years.

Message from the Superintendent:

Greetings:

We are finishing our first year with the added facilities of a new gymnasium, industrial arts department, and classrooms.

Each high school student has a better opportunity now to secure a good education. No school can give a student an education. Each one must make the best possible use of the physical plant and the guidance of parents, teachers, and administration.

To secure a good education, a student must be willing to study hard in order to secure a basic understanding of the subjects he studies.

In a democracy such as ours, a student must learn how to mingle with others in order to learn cooperation.

By participating in athletic events, plays, clubs, and other school and community activities students learn how to live successfully.

Best wishes for a happy and successful life to all students in our schools.

In Memoriam

IN MEMORIUM TO BILL SUPPLE

The years have passed swiftly
We're Seniors today,
Yet we remember, a classmate,
That God's taken away.

Sorrow, a smile
Sometimes can hide,
For our hearts know he's always
Been by our side.

Though he is gone
We need not cry,
For we know God bid him welcome
To his home there on high.

ABOUT THE STUDENT COUNCIL

The Student Council consists of two representatives from each of the grades, seven through twelve, their class President and one representative from each of the chartered organizations.

The purposes of the Student Council are to settle disputes between classes, to secure the desires of the students activities. It has power to plan and carry out activities which pertain to the classes represented, to enforce rules on conduct and dress within the schools jurisdiction and to provide transportation for students to away games.

The Student Council is for the benefit of students and as our national is the "Voice of the people," our Student Council is the "Voice of the students."

**NOW
ENTERING
THE ERA OF
ALL-ELECTRIC
LIVING**

Today's graduates are entering an exciting new era where they will live better electrically in every way . . . at home, at work, or at play.

For example, if you choose marriage, you can enjoy an all-electric home. Included will be electric heat, built-in electric range and refrigerator and a host of time-saving, economical electric appliances. They will be the ultimate in modern living comfort and convenience.

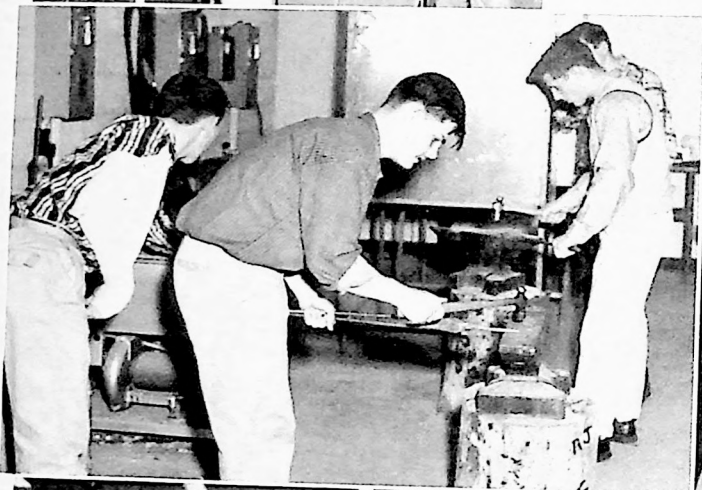

Or, if you go into business, efficient electrically operated machines will assist you in getting the job done swiftly and easily—again an illustration of the versatility and dependability of electricity.

Or, if you go on to college, perhaps you will become one of the scientists or technicians who help further mold the all-electric world of the future.

No matter which path you may choose, electricity will be there to lighten your load, brighten your way . . . help you live better . . . electrically.

Class Prophecy

An official news bulletin by your roving reporter, Johanna Tkach.

A request for a story on the class of 1959 led me to a fascinating investigation. I found that the members of this class have had very interesting lives and have been a credit to their school. The following tells of their present status:

Carol North is an auto mechanic, repairing all her wrecked cars. Alice Yocum is the head of an oil firm in Texas. Fred Timmons and Steve Kereluk organized a Brewery and outsell Goebel 5 to 1. Nick Toombs has taken over the Charles Atlas Agency.

Sue Langs, Sharon McCormack, Donna Cannon, Sandy Runyon, and Karen Gentis are on the staff of a veterans hospital. Sally Simpson, Sylvia Roberts, Bernadine Lukasik, and Marilyn Brow have started a modeling agency in Detroit. Pat Watson is their leading hair stylist.

The Class of '59 has turned out quite a few celebrities. Sherrie Rowell is currently on Broadway and Darlene Waszak is in Hollywood. Don Williams' curiosity led him to capture the first abdominal snowman. Skip White set a record by winning the Grand Prix race for the 10th consecutive year. Larry Pappas and Ron Hoffman, both Naval Admirals, recently led an expedition under Antarctica. During this last season, Jerry Hickerson broke Babe Ruth's record by hitting 61 homeruns for Roger Oram's Detroit Tigers.

John Edward made history by pulling Diane Stroupe's tongue instead of her tooth. Barry Ritchie preserved it for her with his newest embalming fluid.

Peg Angelos is the proud editor of the Chicago Tribune. Judy Smith has a leading column on "How to Get Along With People". Jim Wild owns the largest farm in Michigan. Wilma Taylor, Jo Ann Bartell, and Kay Button are secretaries to the president of General Motors.

Jerry Gibbons is Flat Rocks' Chief of Police. Molly McClure manages the Flat Rock Theater and gives her employees three nights a week off instead of two. Bonnie Berkes owns Foggs Super Market but she refuses to stock shelves anymore. Mary Brown is doing her best to give Latin lessons to Mr. Navarre. Joan Bobcean is a leading doctor devoted to the saving of lives. Bud Brown is a Russian diplomat. Ken Sweeney is a missionary in Africa.

Ron Keiffer and Bob Champagne, to prove their technical skill, built a bridge two miles longer than the Mackinac Bridge. Jean Culp was first to drive across it. Carol Mathews has her own show on television replacing Red Skelton. Frequent guest stars are Ed Gedert and Larry Lykins.

Paul Oestrike is running a used car lot and Charles Woodall has a large competitive lot right across the street.

The terrific playing of Ron Jones and Bob Stevens put the Detroit Pistons in number one spot this year. Ilene Schaller has taken over the Dar Abbey column in the papers. Ralph Shermak is conducting a class in "How to Ask Teachers Questions"; Kay Sigler has a class for teachers in "How to Answer Stupid Questions." Emily Hannan is busy teaching a fourth grade class at Reading.

Ron Parker and Tom Harrington are rewriting their old chemistry text book. Anna Jennings is sales promoter for Ford trucks. Gerald Witte and Ken Cade opened a book store in Southern Arabia where the best selling book is "Gripes For Every Occasion", written by Helen Rogers.

Joan Carpenter, Barbara Chirillo, and Linda Cook opened the Carrillok Pizzeria next to Dels. Sharon Taft has had her third set of triplets. Mary Jablonski, Ruby Jones, and Linda Forrest started a Travel Agency; but they took one of their recommended tours, and never returned. Tom Craig and Tom Kuderik are manufacturing Indian Tom-Tom's. Terry D'Mitrichina is writing poetry for Hallmark greeting cards. Barbara Keith is a counselor at West Point.

Carol Graves is still waiting for Floyd to get out of the Army. Joel Nutt is recuperating from the grueling experience of graduating from High School.

Class History

Thirteen years ago on a wonderful September day, a great event took place in the village of Flat Rock. The "Class of '59" entered Kindergarten. With the fear of the unknown, Peggy Angelos, Joan Bobcean, Kay Button, Joan Carpenter, John Edward, Carol Graves, Tom Harrington, Barbara Keith, Tom Kuderik, Sue Langs, Carol Mathews, Molly McClure, Joel Nutt, Paul Oestrike, Sandy Runyon, Bob Stevens, Nick Toombs, Skip White, and Jim Wild entered upon their first experience in the world alone. Our first six years were spent learning the three "R's": reading, 'riting, and 'rithmetic.

In Junior High, we met many new students from Hand School, Carson and Maple Grove. Also, we experienced many new things such as new teachers, new classes, and getting up earlier.

In the ninth grade, Barry Ritchie was elected President; John Edward, Vice-President; and Sally Simpson, Treasurer. Our Class was represented in the Varsity Club by Bob Stevens, and on the Varsity Cheerleading Squad by Emily Hannan.

Soon after entering the tenth grade, Jerry Hickerson was elected President; Jerry Gibbons, Vice-President; and Judy Smith, Treasurer. The "Class of '59" also displayed its great athletic ability by participating in the Athletic Carnival.

In the summer a great loss occurred in our class. Bill Supple died while undergoing an operation.

As upperclassmen we elected Jerry Gibbons, President; Kay Sigler, Vice-President; and Judy Smith, Treasurer. Later we ordered our class rings. For a week everybody was displaying their rings to all the lower-classmen. Our Junior Play, "Who Dunit?", was directed by Mr. Miekle.

Later in the spring, the Juniors helped to prepare the Junior-Senior Prom called "Oriental Paradise". At the end of our Junior year, with the help of the Seniors, we presented to the Seniors the Junior-Senior Banquet.

At the annual Student Council elections, Bob Stevens was elected President and Peggy Angelos was elected Vice-President.

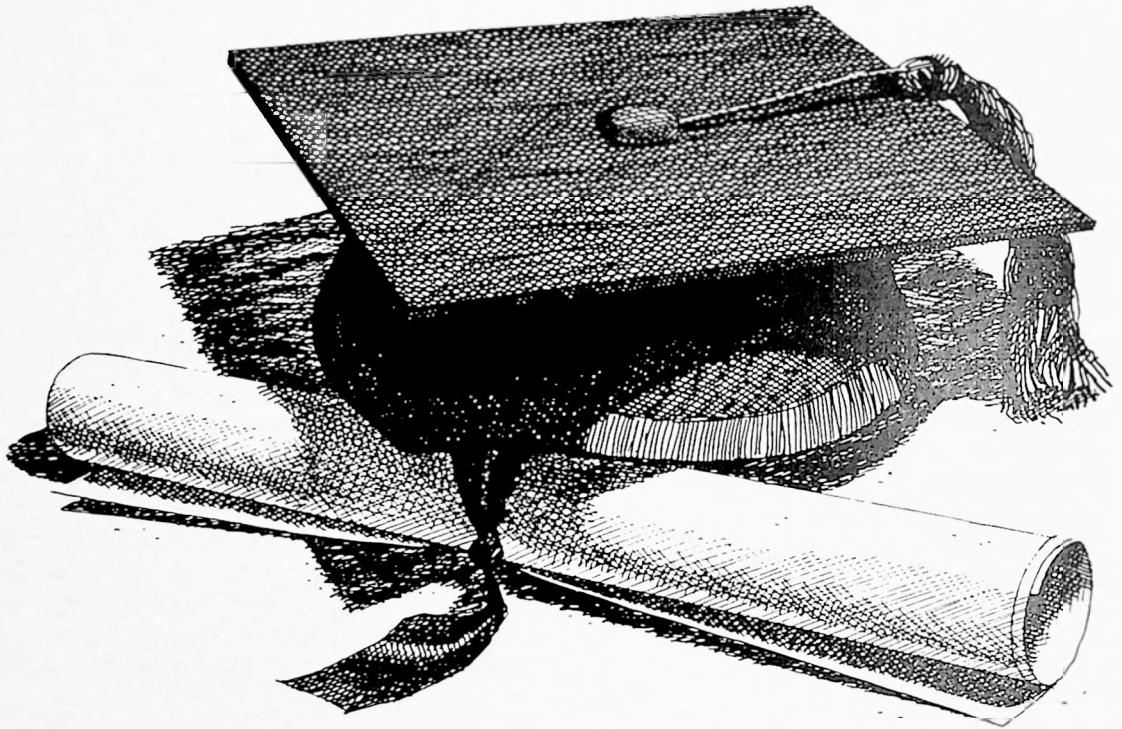

As Seniors, great emphasis was placed upon fund raising drives for the class trip. Bake Sales were held and newspapers were collected. Nick Toombs was elected President; Jerry Hickerson, Vice-President; and Judy Smith, Treasurer.

The Senior Play, "Night of January 16", directed by Mr. Jon Robb, was an immense success.

The Seniors, with the aid of their mothers, prepared the Blue and Gold Banquet and the Kiwanis Banquet.

After the first semester, the individual's position in the class was determined. Mary Brown was Valedictorian and Alice Yocum was Salutatorian. The Class History was written by Ronald Kieffer, the Class Prophecy by Johnanna Tkach, and the Class Will by Emily Hannan.

The "Class of '59" now looks forward to the Junior-Senior Prom, Fad Day, Teach Day, Skip Day, the Senior Trip to New York, the Junior-Senior Banquet and the most important event of all, Graduation.

Congratulations, Graduates

That important day when you receive your diploma will soon arrive. And we join with your friends and family in offering our congratulations. As your life is punctuated by the pleasant excitement of graduation day, accept your diploma as a symbol of

a job well done. Let it carry you forward as you move on in education or begin your career. Your friends at the Michigan Consolidated Gas Company wish you continued success with the new life that now lies before you.

Like, I don't
know what to say to you -
like. I should tell you
what a wonderful person you
are - but you know all that already.
I guess we all agree we've had tons
of fun this year as well as tons of work,
what with the play, those reports, the campaign,
the paper drives and the P.J. parties... oh,
the paper drives, have you been sitting on the sidewalk lately
